RE: Yakama Nation Voting Representative

Dear Trustee:

The Yakama Tribal Council has appointed Tom Zeilman to serve as the voting representative for the Confederated Tribes and Bands of the Yakama Nation on the Hanford Natural Resources Trustee Council. Mr. Zeilman is an assistant attorney with the YN Office of Legal Counsel. The Yakama Nation's ER/WM Program will assist him with the important technical issues that need to be addressed in the Council's mission.

We look forward to working with you and the other trustees to address the injury to the precious natural resources of the Hanford Site and the Columbia River, and to work together to restore the resource values important to all of us.

If you have any questions, please call me at (509) 865-5121 ext. 4655, or Tom Zeilman at (509) 865-7268.

Sincerely,

Carroll Palmer
